

Order Payment Options

Thank you for ordering from the Couillard Solar Foundation. The proceeds from your purchase support and further the mission of CSF, allowing us to continue to provide Wisconsin nonprofits affordable access to solar power.

Please note: Payment for your order (including applicable shipping fees) must clear the bank before we can ship it. Please contact us to schedule order shipment 8-10 business days before you need to have the panels on site.

There are three payment options.

Paying by ACH (automated clearing house) is easy. There is no setup necessary on your part and we pay all associated fees for the funds transfer. Please allow 3 business days for the ACH payment to clear.

1. We email your invoice from QuickBooks. The invoice email includes a PDF copy of the invoice attached to the email.
2. In the body of the email there is a button.

3. Click on the Pay invoice button to get to the screen that allows you to enter your bank routing number and account number.
4. When you submit it, the funds are automatically transferred to our account via ACH. Your order will be shipped as soon as the funds are cleared.

Check

The Couillard Solar Foundation does accept payment by check. Please allow 3-4 business days for the check to clear after deposit, before your order can be shipped.
